Eye Wear Services - Administered by Vision Plaza

Vision Plaza has provided vision care and high quality optical products to South Louisiana residents for over twenty-eight years. They are currently the largest provider in this market.

Their offices and sunglasses kiosks are primarily in major shopping centers. All locations are open on Saturday and shipping center locations are open mail hours.

Vision Plaza is offering Dorsey Discount Services (DDS) members the opportunity to participate in a group vision care plan. Under this plan, members will receive discounts on eye examinations and high quality eye wear at any time.

Advertised specials and other discounts are specifically excluded. DDS members will receive the lower of the advertised special or discounted prices under Dorsey Discount Services.

To receive plan benefits, DDS members should present their DDS Membership ID Card. Benefits are available to the members and their children.
